

Sinclair
Broadcasting is
using their airwaves
to air campaign
statements by their
preferred political
candidate. I cannot
think of a larger
abuse of the public
airwaves.

Does not Sinclair,
by law, have to use
the public airwaves
for the public good?
This is a clear
abuse of power by a
company who is
interested only in
themselves and their
bottom-line as
opposed to good of
the public.

Sinclair needs to be
stopped and it is up
to you. Ownership
rules must be
updated to prevent
partisan politics.
This is an outrage
and is undermining
our democracy.

Thank you for your
time.
